Cookies Salad Resort nestled on unspoiled beautiful beach at Haad Salad. The design of the resort is a combination of Balinese and modern Thai styles, which blend well with each other.

The bungalows are all well appointed, have a perfect hammock on the porch, and are all airconditioned and clean. They have internal safes, and the rain shower in the big bathroom is divine. Most bungalows have a lovely sea view and you can sit in your teak chairs and tables on your porch and drink beers with your new friends in homely, authentic Thai style. The resort is run by Oam and Am (husband and wife managers and owners). They will do just about anything to make you happy or accomodate you, as would all the other staff at the resort. There is wifi internet available through out the resort and laptops ae available for guests to use. The breakfast is included and has enough variety to keep you going for a couple of weeks. The restaurant serves a great variety of foods form traditional Thai to western dishes. Haad Salad itself is a lovely quiet beach. The reef has all sorts of fish and the water is clear and gorgeous. There is sea kayaking, snorkelling, massage and amazing eating not far from the resort.
